ABOUT ME

Finance-focused early-career professional with exposure to India's PE/VC ecosystem at IVCA, currently pursuing CFA Level I. Interested in venture investing with a focus on fintech and regulated financial infrastructure. Experienced in sector research, market analysis, and ecosystem engagement, with a strong interest in evaluating early-stage businesses and investment opportunities.

WORK EXPERIENCE

INDIAN VENTURE AND ALTERNATE CAPITAL ASSOCIATION (IVCA)

Feb 2026 - Present

PE Fellow | New Delhi | India's apex industry body for Private Equity & Venture Capital

- Gained exposure to the private equity and venture capital ecosystem, including fund structures, capital deployment trends, and stakeholder dynamics across LPs, GPs, and regulators.
- Conducted sector research on India's private markets, analysing deal flow trends, fundraising activity, and emerging asset classes to support industry reports and policy insights.
- Built ecosystem intelligence through engagement with PE/VC funds, institutional LPs, and regulators, developing a practical understanding of investment strategies and fund dynamics.
- Synthesised market data and insights to support development of industry narratives, white papers, and knowledge assets for stakeholder communication.
- Supported delivery of IVCA's flagship platform (IVCA Conclave) by coordinating with senior industry stakeholders and analysing engagement data to derive actionable insights.
- Developed preliminary perspectives on sector attractiveness and emerging business models through continuous tracking of fintech and private market trends.

INDEPENDENT FREELANCER - CONTENT, DIGITAL STRATEGY & VIDEO PRODUCTION

Jul

2021 - Aug 2025

Self-employed | Multi-client engagement across digital platforms

- Managed end-to-end content strategy and digital distribution across multiple clients, analysing audience engagement and platform performance to optimise reach and growth outcomes.
- Led full-cycle video production, concept, on-ground shoots, editing, delivery, across 4+ years and multiple client verticals, demonstrating consistent independent project ownership.

INTERNSHIP

The Newtown School, Kolkata - Marketing Intern

Jun 2025 - Aug 2025

- Managed online content and social presence for the school's flagship inter-school fest Novus, owned end-to-end execution from concept through on-ground shoots to editing, delivering short-form reels averaging 30,000-40,000 views per reel.
